ABSTRACT

This publication provides a directory of Alabama Public Library Service public libraries, single-county public library systems, multi-county public library systems, and multi-type library systems, and presents a 1997 statistical report. Individual library statistics are tabulated for public library systems on: service outlets, staff, and hours; print and nonprint resources; income percentages; expenditures on salaries, materials, and other expenditures; and service (circulation and reference and programs). Library rankings are also given by the following: staffing levels; total volumes; total circulation; total income; total expenditures; local per capita; and total per capita. (AEF)
